Approved For Release 2002/05/08: CIA-RDP76-00183R000200080115-9 25X1X7 25X1A6a g) Requested additional details on a cable received indicating that a former staff agent from 25X1A6a 🗽 had been located there and had confessed to absconding with \$16,500 of CIA's operational funds. Mr. Kirkpatrick recommended that this was be given the harsh treatment to which he was entitled and that we follow through with prosecution if at all possible within the bounds of security. DCI wished to talk to Mr. Kirkpatrick further on this case. ACTION: IG Mr. Kirkpatrick: Announced that his office had been assembling our legislative proposals for presentation to the next Congress. He pointed out that one of the provisions involves accelerated retirement for oversess service at the rate of 1% years credit for each year oversees. He noted that a principal problem in connection with this proposed legislation will be that we wish such retirement to be on a voluntary basis whereas the Bureau of the Budget feels it should be involuntery. DCI expressed a desire to talk with Mr. Kirkpatrick further on this. 25X1A9a Announced that the Massachusetts Institute of Technology is organizing a conference in November composed of scientists and others who have recently made trips to the USSE and various satellite countries, participated in conferences, and permitted to see various scientific and industrial activities. expressed considerable interest in this and stated he would like to have either Mr. or or both of them arrange to attend this conference. 25X1A9a 25X1A9a Mr. Amory:

Referred to a query which Mr. Dulles had previously made to him concerning the coverage by the Watch Office of various key personnel of the Agency. He stated he was getting together a list of all personnel and activities which the Watch Office is competent to contact and cover in emergencies during off-duty hours and on weekends.
